To Whom it may concern 9/26/24  
I mark Lemay called the Federal Public Defenders  
office. They put me in touch with Jare Rancourt  
we spoke and she suggested that I write  
and explain that she is interested in working  
with me on my case. If god willing you  
appoint council for me I AM hoping that  
it will be her. I thought that she was a  
private lawyer but have learned that she  
works for the State. I have heard nothing  
but good things about her Thank you  
and god bless you

Mark Lemay
